Feb. 15 1944

Mr. R.R. Grayson

St. Charles, Mo.

Dear Mr. Grayson

I read your letter in our local paper and thought I might give you a little help with the family history of the Graysons. I will introduce myself and the names of my ancestors as far back as possible. I am O.P. Grayson age seventy-eight retired. My main vocation has been in the field of public education and agricultural culture. My father was Jervis Moore Grayson grand father Patrick H. G. - great Grand father or parents - Henry and Nancy (Hinson) Grayson - who was son (of my, s.g. grand father Joseph + Elizabeth (Braze) Grayson - who migrated from Anderson Co. Tenn to Bedford Co. His date of birth was 1799. He later moved to Marion Co. Joseph Grayson's father was named Henry who came from Virginia

Rooted Stock and Fruit in Season
(over)

and his father was also named Henry -
He came from England - no date -
I see no name - "Wren" any where in
the history of my family - I did find
a note saying that the last named Henry
was the only one of his family who
migrated to America. It is possible that
all of the Graysons were descendants of this
person -

I'm sorry that none of our ancestors saw
fit to preserve our family history -
My grand father was one of nine children.
One of his brothers moved to Texas at an
early age. A county was named in his
honor - I was able to get a long history
of his life and family from the Dallas
Public Library -

I hope this will be of some help to you
and I would like to know something of
you + your family.
I will try to visit Blaine Co. sometime
soon and perhaps can get more information
on your family. If so, will pass it on to you.

Sincerely yours

O. Grayson

1900 United States Federal Census

Name: Patrick H Grayson
Home in 1900: Civil District 3, Marion, Tennessee

Ancestry.com. 1900 United States Federal Census [database on-line]. Provo, UT, USA: The Generations Network, Inc., 2004. Original data: United States of America, Bureau of the Census. *Twelfth Census of the United States, 1900*. Washington, D.C.: National Archives and Records Administration, 1900. T623, 1854 rolls.

Description:

This database is an index to individuals enumerated in the 1900 United States Federal Census, the Twelfth Census of the United States. Census takers recorded many details including each person's name, address, relationship to the head of household, color or race, sex, month and year of birth, age at last birthday, marital status, number of years married, the total number of children born of the mother, the number of those children living, birthplace, birthplace of father and mother, if the individual was foreign born, the year of immigration and the number of years in the United States, the citizenship status of foreign-born individuals over age twenty-one, occupation, and more. Additionally, the names of those listed on the population schedule are linked to actual images of the 1900 Federal Census.

Source Information:

Ancestry.com. 1930 United States Federal Census [database on-line]. Provo, UT, USA: The Generations Network, Inc., 2002. Original data: United States of America, Bureau of the Census. *Fifteenth Census of the United States, 1930*. Washington, D.C.: National Archives and Records Administration, 1930. T626, 2,667 rolls.

Description:

Containing records for approximately 123 million Americans, the 1930 United States Federal Census is the largest census released to date and is the most recent census available for public access. The census gives us a glimpse into the lives of Americans in 1930, and contains information about a household's family members and occupants including: birthplaces, occupations, immigration, citizenship, and military service. The names of those listed in the census are linked to actual images of the 1930 Census.
